REGISTRAR

To,

All the Principals of affiliated Colleges of Bangalore University offering U.G. Courses

ICICI Academy for Skills

As you are aware, India is going to have a large supply of young people who will be ready to join the workforce and participate in the economic development. Providing livelihoods to this section of youth will be essential to ensure their effective participation in the growth of the country. Narrowing the existing gap between the demand and supply of skills for sustainable livelihood has been identified by the Government as a major thrust area.

To contribute to this initiative, ICICI Academy for Skills (ICICI Academy) was launched in October 2013, as a national-level skill building initiative by ICICI Group, under the aegis of ICICI Foundation for Inclusive Growth. The skill development initiative is aimed at providing job-oriented vocational skills to underprivileged youth for improving their livelihood potential and quality of life. Since inception, the Academy has trained and provided employment opportunities to over 25,000 youth across various industries.

ICICI Academy offers pro-bono courses of 12 weeks duration to underprivileged youth (details provided in Annexure) and is currently operational in Jaipur, Pune, Hyderabad, Chennai, Bangalore, Coimbatore, Narsobawadi (Kolhapur district), Patna, Guwahati, Durg and Indore. To increase the participation of women candidates, additional 10 satellite centres have been set up exclusively for women candidates.

Annexure

The key features of this initiative are as below

Course Details

- Office Administration
- Web Designing
- Retail Sales

Key features of the course:

- Course duration : 3 months
