

**GOVERNMENT OF KARNATAKA**

No: ED 80 AAV 2016

Karnataka Government Secretariat,  
Multi Storey Building,  
Bangalore, dated:14/09/2016

**CIRCULAR**

Department of Higher Education in association with RIIT's next generation job portal "Visume360", has taken up the initiative of providing employment opportunities and necessary skill based training to students of ITI, Diploma, Engineering and Non-Engineering graduates across Karnataka who have passed out in 2016 and those who will be passing out in 2017.

**Benefits for students:-**

- Building a 360 degree profile brings closer to an employer and employability.
- Enjoy campus placement cell services even after passing out.
- Create multiple profiles to project varied capabilities.
- Every job seeker can do job search and apply to a job posting of any company.
- Job seeker can choose follow a corporate to get all relevant job postings of a company.

**Benefits for Colleges:-**

- Provides Graphical & Analytical dashboard.
- Ad hoc student uploads to placement cell.
- Supports online collaborative pool campus initiative.
- Supports Exclusive online campus drive.
- Schedule interviews for job drives.
- Download and shared shortlisted students.
- Can request for Industrial visits.
- Request Corporate to visit campus.

Visume360 standard features are provided at FREE OF COST to students registered in this initiative.

Colleges are hereby informed to upload details of students passing out in 2017 and also those passed out in 2016.
